Description

Home with many improvements a few years ago, including kitchen with hammered copper sink, custom cabinets, granite countertops, lots of storage and includes appliances. The large Family room consists of a gas log fireplace. Hardwood floors flow throughout the first floor. First-floor master bedroom, master bath with granite countertops and double hammered nickel sinks and walk-in closet. Two bedrooms and one bath with granite and hammered copper sink upstairs. Attic space adds a lot more storage. It also includes a basement storm shelter. It also has a separate guest house of approximately 1900 sq ft with central heat and air, one bath, kitchen, bedroom, family room and entrance. Appliances include a demand water heater. Attached is a workshop, shed, and two carport sheds. This is a fabulous home with approximately 5 acres of wooded area along Highway 84 just east of Coffeeville.
